

TransactionSnapshot.h

```
graph TD; A[TransactionSnapshot.h] --> B[string]; A --> C[vector];
```

A diagram illustrating the dependencies of the TransactionSnapshot.h header file. At the top, a gray rectangular box contains the text 'TransactionSnapshot.h'. Two blue arrows originate from the bottom center of this box and point downwards to two separate white rectangular boxes. The left box contains the text 'string' and the right box contains the text 'vector'. This indicates that TransactionSnapshot.h depends on both the string and vector types.
